

## **Announcement- Upcoming Grant Cycle**

The Living Well Foundation announces its Fall 2018 grant cycle. Interested non-profit agencies, public universities or community colleges, parish non-profit hospitals, parish school boards, and other qualifying non-profit entities located in the 8-parish service area of Caldwell, Franklin, Jackson, Lincoln, Morehouse, Ouachita, Richland, or Union Parishes are qualified to apply for grants to improve the health and well-being of their communities.

All applicants are encouraged to look on the website at the Forms and Downloads section under the “Grants” menu to gain familiarity with the process or see frequently asked questions under “Tips and Pointers”.

The priorities for the grant cycle are:

- Promoting Healthy Lifestyles Through Education, Awareness, and Wellness Services
- Improving Access to Healthcare Through Availability and Affordability
- Addressing Special Healthcare Needs of Infants and Minor Children

The focus for the grant cycle is:

- All ages
- New or expanded programs or services for medical, dental, or behavioral health
- Special emphases to qualified school, hospital, or health clinic settings
- Inclusion of matching funding, a plan for sustainability, and large impact for the region

Letters of intent will be accepted beginning August 20 through August 31, 2018, with completion of applications through September 30, 2018. All letters of intent will be submitted via the online grant software portal on the website under “Grants”, “Apply for a Grant”, and specifically at the “Online Application” menu.

The Living Well Foundation was created as a non-profit Foundation from the sale of Glenwood Regional Medical Center in West Monroe to IASIS Healthcare in 2006, and grants and initiatives are funded from the earnings on the invested assets.
