

Annual Update to the Community Luncheon has been scheduled!

Join us and many others from our 8-parish service area for the annual gathering to hear of 2018 awards and the future goals of the Living Well Foundation. We're excited to welcome Blue Cross Blue Shield of Louisiana as a Major Corporate Sponsor and Argent Financial Group is once again our Title Sponsor.

See how your organization can be a sponsor and participate in this large event for the region. We welcome education, government, healthcare, and business community members to the luncheon with us and the grant recipients.

Contact us about how you can be a sponsor at this well-attended happening.
See you there!
